

Report Writing Services

Iatric Systems was founded in 1990, providing NPR report writing and custom programming. The company quickly earned an outstanding reputation for its expertise in these services.

Today, Iatric Systems offers multiple types and levels of report writing services to the MEDITECH community, from "do it yourself" to "do it for me," and for all platforms — MAGIC, Client/Server, and 6.x.

Hundreds of hospitals throughout the United States, Canada, and the United Kingdom rely on Iatric Systems for efficient, reliable reports, and knowledgeable, hands-on report writer training.

Our Services

Many know that we offer NPR reports and training, but we also provide several other types of report writing assistance. Our services include:

- 6.x M-AT Report Designer reports and training
- Data Repository reports and training
- NPR reports and training
- Attributes and Rules
- MAGIC custom programming

Proven Expertise

We have written reports for more than 800 hospitals in the MEDITECH community. Why do hospitals come to us? Our customers indicate they rely on us to:

- Write tough reports, even when MEDITECH says "it can't be done"
