**FOR IMMEDIATE RELEASE: September 27, 2011**

**IATRIC SYSTEMS NOW CONNECTS PHYSICIANS WITH PHARMACIES ACROSS  
THE COUNTRY FOR E-PRESCRIBING**

**September 27, 2011** – Iatric Systems, Inc., announced today that it has completed certification with Surescripts® for e-Prescribing. Patient Discharge Instructions (PDI) is now Surescripts certified for prescription routing to retail pharmacies. Prescription routing services allow electronic discharge prescriptions to be sent directly to the pharmacy of the patient's choice. Physicians will have the option to electronically and securely exchange prescriptions with pharmacies in communities throughout all 50 states and Washington, D.C.

Joel Berman, President and CEO of Iatric Systems commented, "We're proud to achieve Surescripts certification. It demonstrates our commitment to the constant improvement of our products to help hospitals close the loop on medication management across the continuum of care."

**About Iatric Systems, Inc.**

Recognized by Inc. 5000 as one of the fastest growing privately held companies for the past three years, Iatric Systems helps hospitals and health systems leverage their HIS investment with software, interfaces and reporting services. Since 1990, more than 900 hospitals worldwide have implemented Iatric Systems solutions; optimizing patient care and staff workflow in clinical, financial and administrative areas. Iatric Systems was acknowledged on the *Healthcare Informatics* Top 100 Healthcare IT Revenue list in 2009/2010 and the *Modern Healthcare* Top 100 Best Places to Work in Healthcare IT in 2009/2010.
